Get Started on Great Menus Start Here:

- 1 Assign an Admin:** Send the name and email address of the person who will manage your company page to: marketing@greatmenusstarthere.com. That person will receive an email inviting them to confirm their account.
- 2 Customize your content:** Once your admin is confirmed, they can log in and customize your company's logos, colors, ads and PICs. Tutorials are available for each section.
- 3 Invite Users:** Admins can add users three ways:
 1. Invite users with their email address.
 2. Send users a customized link to sign up for your company's page.
 3. Request and upload of your user list.

Reference the User Tutorial on the admin page, or contact marketing@greatmenusstarthere.com for assistance.
- 4 Update your page:** Regularly check the registration queue for new users, upload new ads featuring different products and select PICs to notify your customers of the latest promotions.
